

It's Time to DUMP QUINN

Council Member Christine Quinn:

- violated the public trust by overturning Term Limits without a public referendum. (1)
- is being investigated by the U.S. attorney's office for slush funds allocated to fictitious charities (2)
- is beholden to large developers and landlords (3)
- turned City Council into a rubber-stamp for Mayor Bloomberg's agenda (4)
- has betrayed the LGBT community when politically expedient (5)
- is one of NYC's lowest scorers on human rights and animal welfare (6)

Say No!
No Third Term
No More Quinn

Christine Quinn has failed to use her office to push a progressive agenda that would benefit the people of the West Side. She gave Bloomberg critical support in his campaign to undo term limits. She has changed from a respected activist to being an advocate for Real Estate developers and corporations. The September 15th Democratic Primary will be your opportunity to vote Christine Quinn out of office.
